Subject: RE: Action Memo for WV Chemical Spill

Linda/Cindy has set up an admin record in the RRC. I'll make sure email gets added.

Subject: Action Memo for WV Chemical Spill

Fran,

Attached is the action memo and cover letter for WV Chemical Spill. Laura, I think you have all the docs that would go in admin record except the email between CDC/ATSDR and the State. I will forward that to you so that you can include.

Thanks all and let me know if you have any questions or need anything else,

Dom Ventura
